## Jeff Schodowski

Jeff Schodowski is a seasoned consulting leader with over 20 years of experience in professional services, specializing in data advisory, digital transformation, data modernization, and artificial intelligence (AI). As the Vice President of Transformation Services at Datavail, he has demonstrated his ability to drive innovation, lead high-performing teams, and deliver exceptional value to clients across various industries.

Prior to leading the Transformation Office, Jeff served as the Global Head of Data, Analytics, and AI at Datavail where he grew advisory services in each of his first three years in role.
